### Policy for Damaged Water Meters

It is required that each resident have a working water meter (the first one being supplied by the Town) in order to accurately be billed for their water usage. Please be aware of where your meter is located and be careful not to damage or tamper with the meter in any way. It is the policy of the Town of Green Level that when a water meter is damaged because of misuse/abuse (as determined by the Town), it is the responsibility of the resident to pay the Town for a new water meter. This payment may be paid in installments, if needed. Meter components are as follows and the Town would have to determine which components would need to be replaced, if meter is damaged.

Meter Box - \$50.00\*  
Meter Setter - \$200.00\*  
RR Meter - \$350.00\* (*\*Prices are subject to change without notice*)

Sincerely,  
  
Michael Douglas  
Town Administrator
