### REMINDERS

Pouring grease down the drain is not a good practice. This will clog your drain and cost you money to repair.

**Reminder: Please do not put wipes in the toilet!** Wipes clog up the Town's sewer lines and the home owners' as well. The expenses incurred to unclog and make needed repairs are costly to the town and home owner.

### NOTES FROM OUR CODE ENFORCER:

Permits are needed to build fences and/or structures. Failure to get a permit before you build may result in fines and other actions! Many residents are in violation of our town's **Community Appearance Standards** (Section 26). Please do not place indoor furniture (couches, tvs, recliners, etc.) on porches nor in yards. Please do not leave junk (tires, broken machinery, appliances, etc.) outside.
