Town Council Meeting

History of Green Level

Green Level was originally called Ruby Dew in 1930. The town consisted of a small tobacco farming community that was heavily populated by African Americans. The first school that was built in 1934 for the students of Green Level is still standing today and served as the old Town Hall.

Remembering Officer Tim Morton

It is with great sadness that we must announce the passing of firefighter Tim Morton. Tim has loyally served the community for four decades. He began as a firefighter with Gibsonville Fire Department and retired as a Sergeant with the Alamance County Sheriff's Office. For the last few years, he has served the E. M. Holt Fire Department as a dedicated firefighter. Tim and his family have been deeply involved in the department for years and he will be deeply missed. Our thoughts and prayers continue to go out to his family during this challenging time.

CODE ENFORCEMENT

Spring is upon us and that means the weather will be warming up. Please make sure to properly maintain your yards and keep grass height to a minimal. It tends to grow very fast during the spring. Also, be sure to properly dispose of any items you may find during spring cleaning. Open storage can create unwanted nuisance issues. If you plan on installing a fence, getting a shed or doing any updates around the house, please check to see if a permit is required. As always, if there are any complaints, concerns or questions, please email Brandon Emory at AllianceCodeEnforcement@gmail.com.

Please remove any obstructions from the street and sidewalk, i.e.; trash cans, basketball goals, bikes, debris, etc. Visit the town website to review the obstruction of streets ordinance, www.greenlevelnc.com

PUBLIC WORKS

Please, no fats
or oils down the
drain.
