Code Enforcement

Illegal Dumping:

Illegal dumping has become an increasingly large problem throughout the Town of Green Level. Offenders often dump late at night to avoid the cost and inconvenience of proper waste disposal. The dumping of garbage, household appliances, abandoned automobiles, construction and demolition debris, hazardous materials, and other waste endangers public health. Charges for illegal dumping can range from a misdemeanor to felony and the fines can be up to \$250. Please report any signs of illegal dumping to Green Level's Code Enforcement Officer Carrington Lucas or the Town of Green Level Administration Barrett Brown.
